To the Rector of
Kharkiv National Medical University

25 December 2020

Dear Prof. Valeriy Kapustnyk!

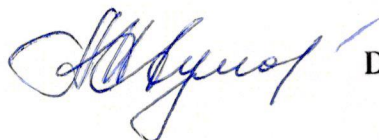

The Independent Agency for Accreditation and Rating (IAAR) pleased to inform you that, at its meeting of 24 December 2020, the IAAR Accreditation Council decided that Kharkiv National Medical University met the necessary requirements for being accredited for 5 (five) years from that date.

Please accept our congratulations to the Kharkiv National Medical University for the positive international accreditation outcome and we look forward to a fruitful future cooperation.

We wish you good health, fruitful activity and new successful projects in the New Year 2021!
