Medical University'
Prof. N.T. Jainakbaev**

The non-profit organisation 'Eurasian Centre for Accreditation and Quality Assurance in Higher Education and Healthcare' (ECAQA) hereby informs you of the following decisions of the ECAQA Accreditation Council, Minutes No. 4 of 28 May 2026:

1. Institutional accreditation of the Non-Governmental Organisation 'Kazakhstan-Russian Medical University' (hereinafter KRMU) for a period of 5 (five) years from 28 May 2026 to 27 May 2031.
2. Accreditation of the 6B10115 'Medical and Preventive Care' bachelor's degree programme of the Non-State Educational Organisation 'Kazakhstan-Russian Medical University' for a period of 5 (five) years from 28 May 2026 to 27 May 2031.

The reports of the external expert commission and the decision of the Accreditation Council will be published in the DEQAR and in the DAQAR. As a full member of the European Association for Quality Assurance in Higher Education (ENQA), the ECAQA officially publishes the full version of the External Expert Commission's report, in accordance with the requirements and implementation of the mandatory parameters of the Bologna Process.

The reports of the external expert commission (full version), the decision of the ECAQA Accreditation Council, and the certificates of institutional and specialised accreditation for the KRMU Bachelor's degree programme will be published on the ECAQA website in the 'Register' section at <https://www.eqaqa.org/en/reestr-en>.

Post-accreditation monitoring, in accordance with the accreditation process, is carried out by the ECAQA throughout the period of validity of the accreditation certificates.
